@home you probably
lit chag candles, so now,
we start with **KIDDUSH**

In Tractate Horayot ^{12a} the sage Abaye says

a person should always be accustomed
to seeing these on Rosh Hashanah:
squash, fenugreek, leeks &
c hard, and dates, as each of
these grows quickly and serves

as a positive omen
for one's actions
during the coming
year.

FOLLOWING simanim, or symbolic foods:

Siman # 1: date

The Hebrew word
for date resembles
the word for
end IN ס'

dates = the end of hateful
conquests

may it be your will our G?d and
G?d of our ancestors, that
the seeds of liberation
sprout and the righteous
flourish like a date
tree, because you in
your loving kindness
free the captives
